Re: Taylor v. Fontenot, et al.
Civil No. 05-1911 (JS)

Dear Mr. Ginsberg:

The Court is prepared to grant plaintiff's Motion to Approve Settlement [Doc. No. 51] but it is missing one piece of information. The Court needs evidence that there is sufficient security for the payments due to the plaintiff's children for the Court to find it is reasonably certain that the future payments will be made.

Very truly yours,

s/ Joel Schneider
